

Gimme rock Sam Hernando, The Rockabilly Bones

Listen to me honey
you must understand
you're my sugar baby
and I'm your man
Come a bit closer
then I'll hold you tight
and I'll whisper in your ear, I'll whisper what I want tonight

gimme, gimme, gimme, gimme rock baby
gimme, gimme, gimme, gimme roll baby
gimme, gimme, gimme, gimme me bop baby
gimme, gimme, gimme, gimme all maybe
gimme, gimme, gimme, gimme, gimme everything tonight

My blood runs wild honey
When you start to dance
My brain is goin' crazy
In a state of trance
join me much closer
then I'll hold you tight
Please show me baby, show me what you want tonight

gimme, gimme, gimme, gimme rock baby
gimme, gimme, gimme, gimme roll baby
gimme, gimme, gimme, gimme me bop baby
gimme, gimme, gimme, gimme all maybe
gimme, gimme, gimme, gimme, gimme everything tonight

Listen to me honey
you must understand
you're my sugar baby
and I'm your man
Come a bit closer
then I'll hold you tight
and I'll whisper in your ear, I'll whisper what I want tonight

gimme, gimme, gimme, gimme rock baby
gimme, gimme, gimme, gimme roll baby
gimme, gimme, gimme, gimme me bop baby
gimme, gimme, gimme, gimme all maybe
gimme, gimme, gimme, gimme, gimme everything tonight
